➤ Click on Me then click on Goal Setting

# Mid Year Evaluation Process by Employee

The screenshot shows a user interface for employee evaluation. At the top, there is a circular profile picture with the letters 'SS' inside. Below it is a horizontal bar divided into three segments: a grey segment on the left, a light blue segment in the middle, and a white segment on the right. Below this bar, there are two rectangular cards. The first card, on the left, has a blue circular icon with a person and a gear, and the text 'Goals' followed by the sub-instruction 'Set and manage performance goals.' The second card, on the right, has a blue circular icon with a bar chart, and the text 'Performance & Development Plan' followed by the sub-instruction 'View performance documents and complete related tasks.' A blue arrow originates from an orange callout box containing the text 'Click on Performance' and points towards the 'Performance & Development Plan' card.

SS

Goals

Set and manage performance goals.

Performance & Development Plan

View performance documents and complete related tasks.
